by good spirits or bad spirits, or
the weather. This testimony
borne again and again, in pub-
lic, by speech and by deed,
by the modern spiritismists, do so
pervert whatever to the truth-
fulness of the "communications"
quite turned the stomach of
Wendell Phillips. Such talk
inflamed me to, for,

3. Although many sincere
cellent people do believe in
spiritism; and although
some have been deceived by
the "communications" of the
spirits in the scriptures, yet, I
have had opportunities for a
life upon the conscience, and
done and to satisfy myself
that the "communications" plat-
formed the truth. And the gen-
eral of the modern spiritismists
I should regard as no better
of infidelity, in the general
Without doubt, those who
and a sufficient, may

Truly yours, H. W.

Ego, Sirra's Master—since a gentleman in this letter from the veterans' club says "the year you were born," I am a member of plain Square, Houston, and I picked street one day a \$60 bill. It is (Cecil), August 28, 1917, think, as follows:

"I have property, which the owner is giving property and paying vertisement. Apply to Oliver, City Square." The address inserted at the bottom of the two third page."

We looked at our file, and in the place designated above vertisement, word for word, all manager details, three or four years have elapsed. My "Old Sol" say what we thought

form him that after diligent search of his friend O., and search of our own files, we have been unable to find "just" and he requests us to ask the send the \$10 on with the Please have the letter transmitted to
Evening Gazette.

Exactly so. Let the "un-
divisional prove the propriety
of the same. The cost of
usage, (\$8) with interest added
two years, (\$9.60) and we are
to say Old Sol will settle right
